About me

I am a 23 year old student at the University of Reykjavík studying computer science with a focus on web development and user interface design. My interests include everything related to technology, programming, alternative and electronic music, video games, exploring the world and experiencing different cultures. I'm a responsible and an extremely reliable employee. I am quick at learning and mastering new technologies and I like working alongside others in a team. I am most interested in working in web- or app development. I am healthy and don't smoke. I don't have a criminal record. I have a driver's licence and I own a car. I am fully willing to relocate anywhere.

Education

Reykjavík University— *BSc Computer Science*

August 2015 - December 2018, CURRENT GPA 8.74

BSc in computer science with a focus on web development and user interface design. I have finished 168 of 190 ECTS, so I have 2 courses remaining. I will sit the course *Enterprise Systems* as a distance student in the fall semester of 2018. I will also sit the three week course *Quality Assurance and Testing* in December in order to complete my focus in web development and user interface design.

Universidad Carlos III de Madrid (Exchange student)— *BSc Computer Science*

January 2017 - June 2017

Menntaskólinn við Hamrahlíð — *Diploma*(*Stúdentspróf*) *from gymnasia*

August 2011 - May 2015 GPA 8.90

Work experience

// Jökulá, Advertising Agency— *Internship*

January 2018 -

My final Project for University of Iceland. We build a "Full Stack" web service / application from scratch. The web service is meant for in-house use at Jökulá . The web service handles allocation, supervision and record keeping for all of Jökulá's projects. The service is implemented using *Node.js* for back end functionality and the front end is implemented using *Vue.js*.

Straumhvörf — *Night guard / Standard employee*

June 2017 - January 2018

I worked part-time both as a night guard and as a standard employee. The job involved care for people who suffer from serious mental disorders.

Te & K affi — *Barista*

September 2014 - December 2017

I worked part-time as a barista. The job involved working the register, making coffee- and tea based drinks, washing dishes, cleaning and I prepared and waited food. I did everything needed to keep a coffeehouse up and running.

NFMH, Students association of Menntaskólans við Hamrahlíð — *Member of marketing committee*

January 2014 - May 2015

I was responsible for the acquisition of sponsorships and advertisements in collaboration with various companies to finance the students association.

ISS Iceland— *Delivery driver*

May 2014 - September 2014

I worked as a delivery driver for a summer. I drove around the capital area and delivered clean laundry to various companies and organizations. I also oversaw orders and maintenance in the warehouse I also did various other work in the laundry room.

ISS Iceland— *Cleaner / Custodian*

December 2009 - May 2014

I mostly worked with cleaning in a mall. I worked full-time in the summer and over Christmas, but otherwise I worked two days a week.

ISS — *Cleaner*

May 2013 - August 2013

I worked a summer job in public household services for older people and people with reduced mobility in Gardabær. I managed company vehicle.

- Pug
- Less
- Gulp
- Bootstrap
- Git
- Agile Methodologies
- Istanbul
- Bash

Languages

Icelandic- Native language

English- Fluent

Spanish, Danish- Working knowledge

French, Italian- Little working knowledge

Grants

Freshmen grant from Reykjavík University - For excellent performance in gymnasia.

Erasmus+ grant - For participating in an Erasmus exchange program in Madrid.
